Alex – I hope things are well, here's a quick digest of some of the day's matters. Copying Deb and Matt (only), here.

Action Issues

1. **Air Signatures.** You may have seen some email traffic on air signatures needed. They need both of the attached documents signed digitally (instructions at the end of this email) – the documents have been dated 7/31. Please sign and return them to me, I'll get them to the air team.
2. **CT 8/7/18 Morning Meeting.** We'll be in CT next week (all day Tuesday the 7<sup>th</sup>); we're staying overnight in New Haven and the first stop of our day (BEACH Act event) is in Madison, CT, at 11am. I'm looking to potentially set up a morning meeting in New Haven, so stay tuned for more details there – just wanted to check to make sure that'd be OK with you, in case you had anything else planned that morning. Is a 9-10am meeting in New Haven OK?
3. **MA BEACH Act Event.** We have to move the planned MA beach event from the days of the OneCape Summit – Congressman Keating's office said the ideal time is 8/14 (Tuesday), 1pm. You'll be coming back from CONEG that morning and may have some NEJAC events that night here in Boston (including a full day on the 15<sup>th</sup>). We'd like to lock in a BEACH event on the 14<sup>th</sup>, at 1pm, at a beach on Massachusetts Bay (i.e., not Cape Cod) that's drivable from POCH, but wanted to check in with you first. Is it OK to schedule the event for that afternoon?

FYI issues

4. **Maine WQS.**

5. **New Bedford/Administrator's Visit.** The Thank You letters have gone out (to the Corps, MADEP, and the Mayor), and Deb thanked the HQ staff on today's senior staff call for the visit.
6. **PFAS Reporter.** You've been asked by an Exeter reporter about PFAS issues – I think you even forwarded that email back to Emily. HQ has weighed in and we've gotten a response out; nothing more needed.
7. **Fishbowl Email.** The Administrator noted the "fishbowl" email that went out today and asked that we all review that thoroughly.
8. **RIDEM Press Flag.** Doug flagged a story for OPA from Providence that you may find interesting. No action needed, just an FYI – see the story here.

Planning ahead

9. **CT Day.** For the CT visit on 8/6 (evening) and 8/7 (full day), we'll be at least going to a BEACH Act event at 11am, a naval base tour at 1230, and two superfund sites in eastern CT, wrapping up around 430 ideally. We have been advised to wear shoes that can trek through the woods. A full briefing packet and schedule of events will be included in tomorrow's daily digest.

Have a good day!

Sean

**DIGITAL SIGNATURE info from Air team:**

Attached are two Proposed Rules that are ready for your signature. The Proposed Rules are the MS Word files attached in this email message (other background information was sent separately, around 11am, 7/30/18). When you get a chance, please download the Proposed Rules to your desktop/tablet, apply your pKI Digital Signature, and email back the digitally-signed/encrypted version of the file (file name ends with file extension ".p7m").
